

1994 ILLINOIS DR. SEUSS MEMORIAL  
"CINDY LOU WHO" TOURNAMENT  
NOVEMBER 18-19, 1994

ROUND 16  
ILLINOIS EMPIRE (A)  
TOSSUPS

1. Nat, Tommy, Stuffy, and Demi. FTP give the collective name for these characters, the male counterparts to Meg, Beth, Jo and Amy.

Little Men

2. Many of the expressionists were unpopular with the authorities, and he was no exception. Archduke Francis Ferdinand dislike his work so much that he once commented that "Every bone in his body should be broken." FTP name this Austrian writer and painter, known for his *Murder, the Hope of Women* and his paintings *Self Portrait of a Degenerate Artist*, *Jerusalem*, *The Tempest*, and *The Thames*.

Oskar Kokoschka

3. He was not allowed inside his masterpiece for some time after its completion because the building took far longer and the expense was far greater than estimated. However, after his death the authorities generously allowed him to be buried there. FTP name this English architect who was instrumental in rebuilding London after the great fire, and who is buried in his most famous building, St. Paul's Cathedral.

Christopher Wren

4. Adopted at an early age by cowherds, his foster mother learned his divine nature by looking down his throat one day and seeing the entire universe there. After reaching manhood he left the cowherds and was involved in the war between the Pandavas and the Kauravas. During this war, he convinced Arjuna to uphold his duty as a warrior and join a battle that was destined to end tragically. FTP name this avatar of Vishnu, who plays a crucial role in the *Bhagavad Gita*.

Krishna

5. His name means "he grasps", since he was born clutching the heel of his twin brother. This event foreshadowed relations between him and his brother later in life, as he eventually managed to cheat his brother out of his birthright and blessing. FTP name this son of Issac and brother of Esau, whose sons founded the tribes of Israel.

Jacob (If Israel is given as an answer, prompt for more info)

6. Although he wrote most of his pieces for the piano, this man has become linked with Spanish classical guitar music because many of his pieces were transcribed to guitar. He was interested in the folk music of Andalusia, and studied under d'Indy and Dukas. FTP name the Spanish composer of "Asturias" from his "Suite Espanola" and the "Espana" cycle.

Issac Albeniz

7. It took 40 years, but this man's most successful album recently tied Fleetwood Mac's Rumors as the second highest selling album in the US at 14 million copies. His last album was a 1992 double set with songs like Leap of Faith and 57 Channels, but he is more well known for the songs about growing up on the Jersey Shore in Asbury Park. FTP, name this man with hits like "Born to Run" and "Born in the USA."

Bruce Springsteen

8. The vaccine used for this disease, known as BCG, was developed by Albert Calmette and Camille Guérin and is the most widely used vaccine in the world. The symptoms of this disease includes coughing, difficulty in breathing, loss of strength and fever. For ten points identify this ailment which in the past has been called scrofula and consumption?

Tuberculosis

9. There's an orange one, and a yellow one--no, we're not reciting the lyrics to that Pete Seeger song about little boxes on the hillside---and two red ones, and another one splits into the white and the blue one, and many little green ones, including one in Illinois. FTP what fluvial geographical feature am I naming?

Rivers

10. Name the year: Irving Berlin's song *Alexander's Ragtime Band* hit the charts, poet Elizabeth Bishop was born, Honus Wagner won his last National League batting title, President Taft named Henry Stimson to fill the post of Secretary of War, and the Triangle Shirtwaist Co. in NY caught fire. FTP, what year?

1911

11. He published only one volume of verse titled the *Hesperides*. He writes of rustic rites, superstitions, flowers, fairies, country content, and imaginary mistresses. FTP, name this Cavalier poet who wrote "Delight in Disorder" and "To the Virgins, To Make Much of Time".

Robert Herrick

12. While prime minister, he outraged the opposition by loudly eating apples as they spoke in the House of Commons. While Secretary of War he was imprisoned for corruption, but later gained royal favor by patching up a quarrel between George I and the rebellious Prince of Wales. This politician made an impact first by rectifying the financial laws that helped cause the South Sea Bubble, then securing the Hanoverian succession to the crown. His premiership is the longest in British history, stretching 21 years. FTP, Name this noted Whig.

Robert Walpole

13. It has been a rough end of the year for Bill Clinton. He lost control of the Congress and health care reform failed. But perhaps the scarist thing was an attack by this man who shot 27 rounds of ammunition at the White House. FTP name this man.

Francisco Martin Duran

14. The Treaty of Versailles of 1919 is a blanket term for the post-WWI settlement between the victors and the vanquished, but in fact only Germany was covered by the Versailles Treaty itself, as other documents were signed by each of the defeated powers. FTP, the Treaty of Trianon brought the war officially to an end with what nation?

Hungary

15. He was born in Germany in 1714, and learned to sing and play the violin, cello, and the organ in Prague. After moving to England he began to compose operas, which were not popular in comparison to Handel's style. He then changed his style, and wrote operas dealing with personal human conflicts, and marked by simple, unadorned melodies. He eventually caused a complete revolution in the art of opera, and under his direction opera finally became true musical drama.

FTP name this composer, who wrote the operas *Orfeo ed Euridice* and *Alceste*.

Christoph Willibald Gluck

16. He has won the Jerusalem Prize and the Booker Prize for his sharp, comic satires of the economic and intellectual poverty of the Caribbean. Name this novelist born in Trinidad and educated at Oxford who wrote *The Mimic Man* and *The Middle Passage*.

Ans: V.S. Naipaul

17. Developed in the 1930s at the University of Minnesota by Starke Hathaway and J.C. McKinley it is a 566 item true false test. It is organized into 10 clinical scales which diagnose different disorders. FTP give the full name of this test which is the most widely used objective test for diagnosing psychological disorders.

Minnesota Multiphasic Personality Inventory (if say MMPI prompt for more)

18. She worked as an actress and a school administrator in Africa before becoming a successful poet. Her works celebrate in the black experiences not only the ability to survive but to triumph over adversity, drawing on her experiences in her native Arkansas being raped at age 7 and bearing a child at age 16. Name this poet who presented her poem "On the Pulse of Morning" at the Clinton Inauguration and wrote I Know Why the Caged Bird Sings.

Maya Angelou

19. He wrote "I have attained enough personal fame and could lay my pen aside but my very soul, restless within me, draws sustenance from work." This is not surprising since at his death his monumental history of Rome had reached 142 books. For ten points name this author of *From the City's Foundations* of which of 35 books survive?

(Livy or Titus Livius)

20. Newsweek reported at the time '...a death no man had ever died before-death in space, cold and alone, outward bound into the blackness of the void.' This is what Jim Lovell, Fred Haise and Jack Swigert faced when their oxygen unit exploded enroute to the moon. For ten points, identify on what Apollo mission this occurred, the third attempt to land men on the moon?

(Apollo 13)

21. Lecoq de Boisbaudran discovered this element, eka-aluminum, the first of Mendeleev's missing elements. Named after France, it has the largest liquid range of any element. For ten points, name element 31, one of the few that melts in the hand?

(Gallium)

22. The relationship between the moles of solute dissolved and the moles of particles in solution is known as this man's factor. For ten points name this Dutch chemist who in 1901 for work in chemical dynamics and osmotic pressure received the first Nobel Prize in Chemistry?

(Jacobus Van't Hoff)

23. This man was instrumental in gaining independence for his country as he led the largest group of the Rhodesian rebels against Great Britain. He also became Zimbabwe's first Prime Minister in 1980. FTP name him.

Ans: Robert Mugabe

24. Although this number is the International Direct Dial Calling Code to Vatican City and Italy, it is also the atomic number of Ytterbium, and President Carter was this numbered president. FTP name the number.

Ans: 39

25. The name means "new land", though Norsemen and Norvgorod hunters in the 11th century knew of the site. In 1556 English navigator Stephen Borough visited, and so did William Barents 40 years later, but no circumnavigaton was made until 1760. Geologically they area continuation of the Ural and Pai-khoy mountain systems, lying just 100 miles out into the sea, where they separate the Barents from the Kara Sea. FTP name these islands.

Novaya Zemlya

1994 ILLINOIS DR. SEUSS MEMORIAL  
"CINDY LOU WHO" TOURNAMENT  
NOVEMBER 18-19, 1994

ROUND 16  
ILLINOIS EMPIRE (A)  
BONUSES

1. For five points each and an additional five for all correct name the five motives on Maslow's hierarchy of needs in order from bottom to top.

Biological, Safety, Belongingness and love, esteem, and self-actualization

2. For five points each name the authors of the following.

Robots of Dawn	Issac <u>Asimov</u> —
The Shoemaker's Holiday	Thomas <u>Dekker</u> ○
Old Yeller	Fred <u>Gipson</u> ○

Captain Thiele	<u>Ship of Fools</u>

5. 10 points each, 30 total: Identify the following units in science?

- 1) The unit of measurement for solid angles in the SI system? (Steradian)  
2) A unit of kinematic viscosity, equal to the kinematic viscosity of a fluid with a dynamic viscosity of 1 poise and a density of 1 gram per cubic centimeter? (Stoke or Lentor)  
3) The unit of conductance, admittance and susceptance in the SI system? (Mho or Sieman)

6. For five points each and 5 for all correct tell who won each of the following 1994 election races.

Texas governor's race	George W. <u>Bush</u>
New York governor's race	George <u>Pataki</u>
Florida governor's race	Lawton <u>Chiles</u>
Illinois governor's race	Jim <u>Edgar</u>
Iowa governor's race	Terry <u>Branstad</u>

7. Shakespeare bonus with a twist: I'll give you four characters, but don't try to tell me what play they all appear in, since that would be impossible. Instead, tell me which character doesn't belong with the other three.

5 pts. each plus 5 for all correct

Imogen, Iachimo, Posthumus Leonatus and Cassius  
 Vincentio, Antonio, Angelo, and Claudio  
 Malcolm, Ross, Laertes, and Banquo  
 Titania, Demetrius, Flavius, and Helen  
 Benedict, Tybalt, Benvolio, and Paris

Ans: Cassius ✓  
Antonio ✓  
Laertes ✓  
Flavius ✓  
Benvolio —

8. Identify the following in the history of genetics.

- 1) Five points, what type of plant did Gregor Mendel use in his experiments?
- 2) Ten points, what type of organism did Thomas Hunt Morgan use in his experiments?
- 3) Fifteen points, he determined that the number of guanines always equaled the number of cytosines and that the number of adenines equaled the number of thymine?

ANSWER----1. (Pea plants) 2. (Fruit Flies) 3. (Erwin Chargaff)

9. I'll give you a French painting you name the painter. 5 a piece and 5 for all correct

The Card Players	Ans: <u>Cezanne</u> ✓
The Oath of the Horatii	<u>David</u> —
La Grande Odalisque	<u>Ingres</u> ✓
The Stone Breakers	<u>Courbet</u> —
Olympia	<u>Manet</u> —

10. Identify the composer from the first work for ten or on the second for five.

10 pts. The piano pieces *Songs Without Words*  
 5 pts. The overture *A Midsummer Night's Dream*

Ans: Felix Mendelssohn ✓

10 pts. The opera *The Damnation of Faust*  
 5 pts. *The Symphonie Fantastique*

Ans: Hector Berlioz —

10 pts. The opera *The Perfect Fool*  
 5 pts. *The Planets* —

Ans: Gustav Holst

11. Given a work name the Roman author.

- |   |   |
|---|---|
| 1) Philipics.                             | (Marcus Tullius <u>Cicero</u> or <u>Tully</u> ) — |
| 2) The Annals.                            | (Quinus <u>Ennius</u> ) 0                         |
| 3) The Art of Love.                       | ( <u>Ovid</u> or Publius Ovidius <u>Naso</u> ) —  |
| 4) The Lives of the First Twelve Caesars. | (Gaius <u>Suetonius</u> Tranquillus) —            |
| 5) Life of Agricola.                      | (Cornelius <u>Tacitus</u> ) 1                     |
| 6) The Civil War.                         | (Julius <u>Caesar</u> ) 0                         |

12. For 30 points. This agreement, signed in 1516, gave Francis I continued royal control over the French church, including the right to nominate (and the pope to confirm) archbishops, bishops, and abbots. Ferdinand and Isabella secured complete control of ecclesiastical patronage in the New World as well as freedom from appeals by Rome regarding the Spanish Inquisition. Name this agreement, signed for the papacy by Leo X.

The Concordat of Bologna

13. Let's see how much you know about winds, mythological winds that is. 30 pts.

a) For ten points, who was the mother of the four winds in Greek mythology?

Eos

b) Now, for an additional five points a piece, name the four winds.

Boreas, Notus, Eurus, Zephyrus

14. Including Alan Shepard and Edwin Aldrin, Jr. a total of twelve men have walked on the moon. For five points each, 30 total, name six of the ten other astronauts that have been on the moon?

(Apollo 12: Alan Bean + Charles Conrad, Jr., Apollo 14: Edgar Mitchell + Alan Shepard,  
Apollo 15: James Irwin + David Scott, Apollo 16: Charles Duke, Jr. + John Young, Apollo  
17: Eugene Cernan + Harrison Schmitt)

15. 30 -20- 10 Name the musical group

30 pt. Although they have songs based on Psalm 40 and the Last Supper, the four members are split between Catholicism, Protestantism, and atheism, much like their beloved country

20 pt. Two of their major songs, "Running to Stand Still" and "Bad" are about heroin trips

10 pt. Their albums include Boy, War, and The Unforgettable Fire.

U2

16. For 30 points 10 a piece name the three novels in John Galsworthy's Forsyte Saga

The Man of Property, In Chancery, To Let

17. Aside from Alan Greenspan and his predecessor Paul Volcker, there have been 6 chairmen of the Federal Reserve Board since its inception 80 years ago. For ten points each name any three.

Ans: Benjamin STRONG, Marriner ECCLES, Thomas MCCABE, William McChesney MARTIN, Arthur BURNS, G. William MILLER

18. Name each of these Broadway musicals starting with the letter M from the songs included in them. 3 parts

a) On the Street Where You Live, I Could Have Danced All Night, and Get Me to the Church On Time

My Fair Lady

b) Have Yourself a Merry Little Christmas and The Boy Next Door

Meet Me in St. Louis

c) The Perfect Nanny and A Spoonful of Sugar

Mary Poppins

19. 30 -20 -10 identify this geographical site

30pt. German and British cruisers fought a battle here in late 1914, with the British winning handily and so keeping German ships out of the southern hemisphere for the remainder of the war.

20 pt. There are two main islands in this group, with an apex of almost 2,300 feet and a current population of about 2,000 people
