MIT C
Team: Harvard Lust and Harvard Dopey

TOSSUP 1

Commandos, Presidents, Pioneers, Tradition, Fury, Wolves, and Vipers.
Trademark applications have been submitted for all of these names,
just some of the choices to rename this team. It has been without a
real home for the past few years moving from the Astrodome to the
Liberty Bowl and is at least now in the right city at Vanderbilt
Stadium this year. FTP, name this NFL team owned by Bud Adams.

ANSWER: _TENNESSEE_ and/or _OILERS_

TOSSUP 2

Without a telescope, he catalogued the position and movements of more
than 1000 stars and planets with great accuracy. He believed that the
planets revolved around the Sun, but that the Sun revolved around an
immobile Earth. Using his data, however, his most famous assistant
proved that the Earth revolved around the sun. FTP, name this
scientist with an auriferous nose.

ANSWER: Tycho _BRAHE_

TOSSUP 3

Born in 1854, he came to exercise influence among poets, artists, and
authors of several countries, despite the fact that he only wrote from
the ages of 15-21, when he renounced poetry and began traveling,
gun-running and selling coffee. FTP, name this flamboyant Frenchman,
played by Leonardo D'Caprio in _Total Eclipse_, better known for a
passionate affair with poet Paul Verlaine and works such as _A Season
in Hell_.

ANSWER: Arthur _RIMBAUD_

TOSSUP 4

Marked by a holiday on April 25 in both Australia and New Zealand to
commemorate it, its goal was to clear the Dardanelles and force a sea
route to Russia. For 10 points, name this disastrous WWI campaign
initiated by Churchill.

ANSWER: _GALLIPOLI_

TOSSUP 5

These two men initially presented their works in a cafe in Paris and
are credited with starting an entire industry. They invented a
combined camera and projector, and used this invention to display the
first-ever films to a paying audience in December 1895. FTP, name
these famous siblings.

ANSWER: Auguste and Louis _LUMIERE_

TOSSUP 11

Clyde grows up in a fmaily of itinerant street preachers in Kansas City. Trying to escape, he works at a hotel and a soda fountain. After he and his friends run over a child while joyriding in a stolen car, Clyde leaves town and gets a job at a collar factory owned by relatives, but this is also ruined when an unfortunate love triangle leads to the murder of his pregnant lover Roberta. FTP name this Theodore Dreiser novel about the evils of ambition and the seductive powere of the american dream.

ANSWER: An _AMERICAN TRAGEDY_

TOSSUP 12

Though not a well-known suspect in the Kennedy assassination investigation, this shadowy businessman played a prominent role in several conspiracy theories, and claimed that he had no connection to the CIA. Brought to the forefront in Oliver Stone's movie JFK, name for 10 points, this defendant in the case brought by New Orleans District Attorney Jim Garrison.

ANSWER: Clay _SHAW_

TOSSUP 13

She got attention for who she claimed to be, rather than who she really was. This 46-year-old mother of five dropped out of nursing school and spent time following others around until her death earlier this month in Colorado. She even got so far as to interview Story Musgrave, although her failure to take notes made the interview subject suspicious. FTP, who was this woman who had once claimed to be Mrs. David Letterman?

ANSWER: Margaret Mary _RAY_

TOSSUP 14

Targeted for assassination by Lincoln's killers, this dead Republican's life was saved by the iron neck brace he wore, the result of being thrown from a carriage two weeks earlier, that deflected the knife thrusts. This former governor of NY from 1839 to 1843 was active in organizing the fledgling Republican party, but is probably most famous as the Secretary of State who's alleged folly vastly enlarged the size of America. FTP, name him.

ANSWER: William _SEWARD_

TOSSUP 19

For Julio Cortazar, they symbolize the marvellous which can be found in the everyday world. In a James Thurber short story, one is sighted in the garden. In _The Once and Future King_ the young Orkneys brutally slaughter one. School supplies by Lisa Frank feature them in cute, rainbow colors, and narwhals are often referred to as aquatic varieties. FTP, name these mythical creatures who exhibit a pronounced fondness for virgins.

ANSWER: _UNICORNS_

TOSSUP 20

If you are under this curve you are not properly utilizing resources, but, if you are on the curve the only way to shift the curve outward is through increased amounts of resources, since resources are assumed, by the graph, to be fixed. As you move along the curve you must trade production in one commidity for production in another. FTP name this economic graph often represented using the trade-off between guns and butter.

ANSWER: _P_roduction _P_ossibilties _C_urve

TOSSUP 21
