

GAME IV - Gatus 1022

1. They arise from fluctuations over time in the distribution of the electrons on two neighboring atoms or molecules. Their strength increases with the number of electrons in the atom or molecule, so heavier molecules will interact more strongly than lighter ones. FTP, what forces which exist between all atoms and molecules accounts for the fact that there is attraction between uncharged, non-polar atoms such as Helium?
\\DISPERSION FORCES\\

2. Although it is Asia's sixth largest nation by area, its population is very much lower. Officially, this nation's language is written in the Cyrillic alphabet. This may change as the communist government was voted out in 1996. Sandwiched between two giants, it has had little contact with the outside world. FTP, what is this nation whose capital is Ulan Bator?
\\MONGOLIA\\

3. Long before Harry Anderson in Night Court, this actor also played a Judge - in Philadelphia - who was a widower, conducting an affair with the judge in chambers above him. He is better known, however, for a role he perfected: that of a finecky, excessively cleanly, divorced guy whose wife asked him to vacate the premises on Oct. 4. FTP, who is this 76 year old actor married to a 26 year old, who often teams up with Jack Klugman to stage the Neil Simon play, The Odd Couple ?
\\Tony RANDALL\\

4. This man represented the crew of the Spanish ship Armistad in court. The Armistad's cargo of slaves, led by Cinque, had overthrown the captain and headed the ship for New York City where a US warship took it into custody. Spain demanded the slaves on charges of piracy. Southern Senators wanted the slaves tried for murder. In 1841, the Supreme Court heard the case and owing to this defence lawyer's eloquence, freed the slaves and allowed them passage to Africa. FTP, who was this Massachusetts born lawyer, then a member of the US House of Reps. and a former US President ?
\\JOHN QUINCY ADAMS\\

5. "May you live 10,000 years!" This may sound like a pretty joyful expression, and it was meant to be until WW II, when it became more notorious and a cause for alarm as the suicide exclamation of Japanese pilots, deliberately crashing their planes into American ships. FTP, what is this one word Japanese expression which has nothing to do with miniature trees?
\\BONSAI\\

7. This property determines the amount of water that soil can hold. Since it is the open space in soil, it is greater in round particles of uniform size, such as sand or gravel. Particles such as aged clay can have as little as 10%. FTP, what is this property of soil and even rocks whose name is derived from the Greek for "passage" or "way through" ?
\\POROSITY\\

8. This state claims to have held the first Presidential primary in 1912. Its motto, "Liberty and Union, now and forever, one and inseperable" did not help favorite son Will Lemke, Union Party in 1936: FDR carried the state. Half of its territory became American by the Louisiana purchase, although it did not become a state until 1889. FTP, what is this state whose largest towns include Minot, Grand Forks, Bismark, and Fargo.
\\NORTH DAKOTA\\

8. Like Peter III, who is supposed to be his father, this Russian tsar is thought to have been crazy. Some think one of the Orlovs fathered him and that the Roamov line died in 1762. Like Edward VIII, he spent most of his adult life waiting for mommy to die - in his case Catherine the Great. When she finally keeled over, he was allowed to rule the Russias as he pleased, but it did not please many. A palace coup removed him in place of his eldest son, Alexander I. FTP, who was this short-reigned tsar, toppled from the throne in 1801 after only a 5 year reign?

\PAUL or Paul I\

9. This plot of land was given to Hera as a wedding present. The dragon Ladon, was its guardian, though Hera also asked the daughters of Atlas to watch over it for her because the tree within bore golden apples. Perseus and Heracles both went there, the latter on his famous 11th labor. FTP, what famous garden was this, said to be far off to the West?

\GARDEN OF HESPERIDES\

10. In this 1935 novel, Berzelius Windrip, a New England demagogue is elected president and establishes a fascist regime. His defeated opponent, Walt Trowbridge is forced to start a resistance movement from Canada, which the main character, Doremus Jessup ultimately joins. FTP, what is this novel by Sinclair Lewis which was sharply critical of isolationists who denied the possibility of a widespread fascist movement in America?

\IT CAN'T HAPPEN HERE\

11. You may be familiar with the Truman Doctrine but this doctrine stated that the US would use armed force upon request of any Middle East nation under threat of imminent or actual aggression. It was engaged when the Lebanese government asked for help in 1957 since Syria and Egypt were trying to topple the Christian government in favor of a Muslim majority alternative. 14,000 US Marines restored order and the Egyptians and Syrians withdrew. FTP, what was this Doctrine, named after Truman's successor?

\EISENHOWER Doctrine\

12. In this ludicrous B or C grade movie, a murderous gunslinger from the Wild West - transformed into a good guy - contends with a bloodsucking vampire. In the climax, the gunslinger polishes off the nasty prince of Darkness with a silver bullet. FTP, what is this film, a non biographical adventure story of William Bonney?

\BILLY THE KID MEETS DRACULA\

13. At this angle, $\sin + \cos = 0$ because they are additive inverses, and $\tan = -1$. It might help you to know that \cos is negative. FTP what is this angle, whose \sin is square root of $2/2$?

\135 degrees\

14. This theory, proposed by "The Pope of Bones," was relied on the fixity of species. It states that disasters of nature, such as earthquakes, tidal waves, etc. devastated certain areas, depleting them of life forms. After the carnage cleared, new life forms restocked the areas. This theory has been rejected in explanations of Terran geologic studies, but may be the best for explaining Venus' geologic evolution. FTP what is this theory, often cited by creationists who are too fanatical to accept evolution?

\CATASTROPHISM\

15. Defying British claims to the region, the French sent in troops from the Congo to occupy this area. The British sent in troops under Lord Kitchener and it appeared that all out war would emerge between the two in 1898. However, the French backed off and withdrew in exchange for a British guarantee in the Sahara. FTP, what was this diplomatic

incident between France and Britain which delayed the creation of the Triple Entente prior to WW I?

\FASHODA Incident\

16. The man who had sex with his mother left sandals and a sword under a heavy stone with instructions to send the boy to Athens when he was strong enough to move the stone. On the way to Athens, he dispatched several unsavory highway bandits, including Sciron and Procrustes. Who was this great hero of Greek myth best known, FTP, for slaying the Minotaur?

\THESEUS\

17. This novel won the 1947 Pulitzer Prize. It is based on the career of a Louisiana politician whose unscrupulous tactics made innumerable enemies, and caused fear in the hearts of many. The narrator, Jack Burden, has mixed feelings about the governor, Willie Stark, because Stark builds a hospital and genuinely helps the poor people of his state, all the while, lining his own pockets and furthering his ambition. FTP, what is this Robert Penn Warren novel, based on Huey Long?

\ALL THE KING'S MEN\

19. Rumor is that this king never consummated his marriage with Queen Edith. He was after all a pious man, best known for building churches and dying in a tumultuous year. The son of Aethelred the Unready, he spent much of his youth abroad in Normandy until Canute's dynasty petered out, upon which he was invited to return to England and take the throne. FTP, who was this last Anglo-Saxon king, whose death started the war between Harold II and William the Conqueror?

\EDWARD The CONFESSOR\

20. Andre Breton defined this art movement as "pure psychic Automatism, by which it is intended to express verbally, in writing or in any other way, the true process of thought. It is the dictation of thought, free from the exercise of reason." Some say its ancestry can be traced back to Hieronymus Bosch. It developed in two directions: pure fantasy and elaborate constructions of a dream world. FTP, what is this art movement whose practitioners include Magritte, Miro, Dali, and some Picasso?

\SURREALISM\
