

Packet 5  
Bonus

1. 30 Points

These three cities share the unusual feature of being surrounded by much larger cities. For ten points each, given the city, name the larger city surrounding them:

Beverly Hills

Los Angeles

Norridge

Chicago

Hamtramck

Detroit

2. 25 Points

For five points each, identify the five African nations whose names begin with the letter "G."

Gabon

Gambia

Ghana

Guinea

Guinea-Bissau

3. 20 Points

This word forms the title of autobiographies of two well-known men. The first book tells the story of the conversion of a fifth century saint; the second was written by an 18th Century French philosopher. For twenty points, name the common title.

Confessions (of Augustine and Rousseau)

4. 30 Points

We have all seen Ward, June, Wally and the Beaver. But as the Super Bowl wound down, another family became a bit more popular as people turned to Fox to watch The Simpsons. For five points each, name the grandfather, father, mother, and three children of the Simpsons family, but be careful as a miss stops you.

Abner, Homer, Marge, Bart, Lisa, Maggie

5. 30-20-10 points

Name the scientist on one clue for thirty, after two for twenty, or after three clues for ten points:

1. He dissolved his nobel prize in aqua regia when the Nazis invaded his country, and after the war had the medal recast.
2. During World War II, the Resistance had to break into his house and retrieve some heavy water he had left hidden in a beer bottle in his refrigerator.
3. He formulated that electrons in an atom could have only certain values of angular momentum, thus reconfirming Planck's idea of quanta, and he formulated the orbital model of the atom.

6. 20 Points

For ten points, tell me the name of this Shakespeare play after this synopsis: Bianca can't marry until her older sister marries. So, Dad gives permission to Petruchio to marry the older sister, thereby leaving Bianca able to marry. But the older sister doesn't want to be married off. The play ends with the eventual marriage of the older sister and Petruchio.

Taming of the Shrew

For another ten points, tell me the name of the musical and subsequent movie inspired by this play.

Kiss Me Kate

7. 30 Points

For fifteen points each, give me the name of the first black man to hold the title of world heavyweight boxing champion, and within three years, tell me when he achieved the title.

Jack Johnson, 1906 (Acc: 1903-1909)

8. 25 Points

Are you ready for an obscure Nobel Laureate bonus? For twenty-five points, name the French physicist who won the Nobel Prize in Physics in 1966 for his work in laser technology.

Alfred Kastler

9. 30-20-10 Points

Name this composer after one of his works for thirty points, after two for twenty or after three for ten:

The Consul  
The Medium  
Amahl and the Night Visitors

Gian-Carlo Menotti

10. 20 Points

November 17, 1992 saw major league baseball's first expansion draft in over a decade. For five points each, name the first two players drafted, and the organizations from which they were taken.

David Nied, Atlanta Braves  
Nigel Wilson, Toronto Blue Jays

11. 30-20-10 Points

Name this American film director after hearing the title of one of his films for thirty points, a second title for twenty points, or a third for ten:

1. Wise Blood
2. The Maltese Falcon
3. The African Queen

John Huston

12. 25 Points

This Detroit native was the first black man to be a division head in the U.S. State Department. In 1950, he was awarded the Nobel Peace Prize for his work as principal secretary of the U. N. Palestine Commission. For twenty-five points, name this diplomat who died in 1971.

Ralph Bunche

13. 20 Points

For over fifteen years, she was the star attraction of Buffalo Bill's Wild West Show. For 20 points, name this Ohio native who was born Phoebe Mozee.

Annie Oakley

14. 30-20-10

Identify this British naval officer after one clue for thirty points, two for twenty or three for ten:

1. Although an expert on torpedoes, Sir Clements Markham hand-picked him to lead the first expedition of the Discovery.
2. He led his first Antarctic expedition from 1901 to 1904.
3. He and four companions reached the South Pole on January 18, 1912, becoming the second expedition on the spot in about a month.

Robert Falcon Scott

15. 30 Points

This radical Republican was instrumental in forming the Reconstruction policies after the War Between the States. As president pro tempore of the Senate, under the rules at the time he would have become President if Andrew Johnson had been convicted of impeachment charges. For 30 points, name this Ohio Senator.

Benjamin Franklin Wade

16. 25 Points

This South Carolinian designed numerous public buildings in Washington, D.C. and elsewhere. He was appointed architect of public buildings by Andrew Jackson in 1836. For 25 points, name this "classic revival" architect whose design for the Washington Memorial included a base that was never built.

Robert Mills

17. 30 Points
