

WAHOO WAR OF THE MINDS
PACKET 10

Toss-Ups

1. He warned authorities that he would try to create a disturbance at the Super Bowl, and he nearly flew into the Los Angeles Colliseum during a Raiders-Broncos playoff match, but FTP, who is this man best known for parachuting into the crowd in November of 1993 during the Riddick Bowe-Evander Holyfield title fight?

James Miller

2. Over 37 people witnessed the attack, and about 100 heard it outside of their apartments, but not one person called the police because they "did not want to get involved." FTP, who was the woman who was brutally raped and murdered in this 1964 attack, highlighted by the apathy of the observers?

Kitty Genovese

3. "I felt that my senses were leaving me. The sentence- the dread sentence of death- was the last of distinct accentuation which reached my ears. After that, the sound of the inquisitorial voices seemed merged in one dreamy, indeterminate hum." This is the opening passage from FTP what short story by Edgar Allan Poe?

The Pit and the Pendulum

4. For a quick ten points, by what common name do we refer to the application of chemistry, biology and physics to the study of physical materials or theoretical problems, the results of which may be entered into court as technical evidence?

Forensics

5. In 1851, a prominent locksmith held a contest to see who could pick his best lock. Men came from far and wide, but only one man was successful. This man set up his own lockmaking business, and in 1861, he invented a cylinder lock which is still the most common home anti-theft device in the world today. For 10 Points, name the man.

Linus Yale

6. They were upwardly mobile college students, but the methods of crime intrigued them. So, in 1924, they decided to pull off the "perfect murder", just to see if it could be done. They killed 14 year old Bobby Franks and demanded \$10,000, but they were later caught. Name these "Thrill Murderers".

Nathan Leopold and Dick Loeb

7. William Manchester sued him for literary theft, charging that he copied passages out of Manchester's 1967 book "The Death of a President". He later admitted that the first section was copied, and he also admitted to putting thoughts into Teddy Kennedy's head without interviewing him. For 10 points, name this author of "The Last Brother."

Joe McGinnis

8. Janet Reno is currently trying to hold a new citizenship trial for this man, asserting that when he immigrated to the U.S. in 1946, he was concealing his Nazi heritage. FTP who is this man, recently found innocent by Israel on charges that he was "Ivan the Terrible"?

John Demjanjuk

9. All of them were small enough to be able to fit in men's sleeves or coat pockets. The majority of them contained a single bullet. And they were only accurate up to six feet away. Still, one of them was enough for John Wilkes Booth to fatally shoot Abraham Lincoln. For 10 points, what is this 19th century gun?

Derringer

10. "Detective Agency
13 Rover Avenue
No Case Too Small
25 Cents per day plus expenses"

This is the sign that hangs above the garage of FTP what child sleuth, who has yet to not solve a case?

Encyclopedia Brown

11. It had a large, human cranium, and human teeth, but a very apelike jaw. Scientists were ecstatic to find it in 1908, but this joy was vanquished in 1953 when the find was exposed as a fraud. FTP name this false ancestor of Homo Sapiens which was found in England.

Piltdown Man

12. The boss of a real estate sales company presents his workers with an ultimatum: The top two sellers receive bonuses, everyone else is fired. Out of anxiety, the salesmen later resort to robbing their own company. FTP name this play by David Mamet which was recently turned into a motion picture.

Glengarry Glen Ross

13. "We wuz robbed!" "We wuz robbed!" "We wuz robbed!"
FTP, this was shouted by the manager of what German boxer in 1938 immediately after the German was knocked down by Joe Louis in the

first round?

Max Schmelling

14. Whether the crime was as trivial as stealing an apple, or serious as murder, the punishment was always the same: death. Under his code, enacted in 621 B.C., the citizens of Athens lived in fear. Who was this leader, who gave his name to laws that are too harsh?

Draco

15. It is a barbituate drug that, when injected into the body, produces total relaxation and removes all inhibitions. Used mainly by psychiatrists, it is also used by the police to interrogate suspects. FTP name this chemical, better known as truth serum.

Sodium Pentathol

16. It was founded in 1850 by California-bound travellers who enjoyed the natural springs in the area. Mormons later settled there in 1855. In the late 1800's this city was an important livestock and ranching center. But it did not really begin to grow until 1931, when Bugsy Siegel founded the Flamingo Hotel and Casino. FTP, name this city, famous for its gambling and connections to organized crime.

Las Vegas

17. This power hitter had many productive seasons with the Toronto Blue Jays and the San Diego Padres. But last year, "The Crime Dog" was traded to Atlanta, where he became an integral spark for the pennant-bound Braves. FTP name the player.

Fred McGriff

18. Even though many soldiers were responsible for the death of over 300 unarmed civilians, only Lt. William Calley was found guilty of murder. For many, this was a clear example of a lower-level officer taking the rap for his superiors. FTP, in what Vietnamese village did this massacre take place in March of 1968?

My Lai

19. When James Meredith attempted to enter the University of Mississippi in 1963, many students and locals resorted to violence to block his entrance. However, the first black student to enter an American college did so peacefully over 100 years earlier, at FTP what Ohio liberal arts school?

Oberlin
