

# ROUND\_1\_TOSSUPS

Beaver Bonspiel IV  
ROUND 1

Questions by Swarthmore

TOSSUPS

TOSSUP 1

It tells of the journey of Raphael Hythloday to an uncharted island country where the inhabitants worship a god named Mithras and are kept from idleness by the syphogrants. The name of the country comes from the Greek for "not" and "place", and it was ruled by a kind of Christian communism. FTP, name this 1516 work by Sir Thomas More, whose title has come to mean any ideal community.

ANSWER: UTOPIA

TOSSUP 2

His secret marriage should have disqualified him from the throne, but he was cleared to become king when the marriage was declared invalid. His attempt to divorce Queen Caroline caused a national sensation in the early 1820s. FTP, name this gambling and womanizing friend of Charles James Fox who became King of England in 1820 after nearly a decade as the country's regent.

ANSWER: GEORGE IV

TOSSUP 3

The people of these islands are the traditional butt of German jokes. The main industry is tourism, followed by fishing, potato growing, and cattle-raising, and the German government has spent millions to save these islands from the sea. FTP, name this North Sea island group which extends from northwestern Holland along the German coast and just past the southern part of Denmark.

ANSWER: the FRISIAN islands

TOSSUP 4

In her most famous film role, she was attacked by a giant snake, a pterodactyl, and a tyrannosaur. A Polynesian tribesman attempted to buy her, but she was ably defended by first mate John Driscoll. FTP, name the actress who portrayed Ann Darrow, a starving but beautiful flapper taken by photographer Carl Denham to Skull Island, where she first encountered King Kong?

ANSWER: Fay WRAY

TOSSUP 5

## ROUND\_1\_TOSSUPS

In chloride form, it was being used as a table salt substitute in Australia when a doctor noticed that it made his guinea pigs sluggish and lethargic. He tried it on several mental patients who demonstrated agitated, frantic behavior, and they slowed down too. FTP, identify this element, the favored treatment for manic depression and the title of a song by Nirvana.

ANSWER: LITHIUM

### TOSSUP 6

It is three hours and 40 minutes long, including a ten-minute break. Sections one and two are 30 minutes long, with seven sentence completions, nine analogy questions, 11 reading comprehension questions, and 11 antonym questions. The four other sections test quantitative ability and analytical ability. FTP, identify this exam administered by the Educational Testing Service, the SAT for graduate schools.

ANSWER: Graduate Record Examination (just glare at people who don't say GRE)

### TOSSUP 7

When he died in 1745, he left his fortune to build an insane asylum and was buried in the Deanery of St. Patrick's Cathedral in Dublin. Ordained as an Anglican priest in 1695, he won fame for his political pamphlets and in 1704 published two of his most famous literary works, "The Battle of the Books" and "The Tale of a Tub." FTP, identify this clergyman, writer, and misanthrope, the author of "A Modest Proposal" and "Gulliver's Travels".

ANSWER: Jonathan SWIFT

### TOSSUP 8

His only surviving piece is a treatise on agriculture, which repeated old superstitions and gave conservative first-hand advice on how to run a farm. He fought against all Greek influence and strove to restore old Roman virtues and morality, while quarrelling with the Scipios and serving as censor during the second century BC. FTP, name this Roman statesman, known for the quote "Carthage must be destroyed."

ANSWER: Marcus Portius CATO THE ELDER (prompt on Cato)

### TOSSUP 9

It was first observed in 1808 by Russian physicist F. Reuss, who observed that water travelled from the anode to the cathode when an electric current was passed through an earthenware diaphragm. FTP, identify this sister phenomenon to electrophoresis, where liquids move

through solids under the influence of an electric field.

ANSWER: ELECTRO-OSMOSIS

TOSSUP 10

Born in 1913 in Brooklyn, from 1934 to 1936 he played guard on Fordham's Seven Blocks of Granite line. From 1969 until his death in 1970, he was head coach, general manager, and part owner of the Washington Redskins. FTP, name this football coach, who won 5 NFL titles and 2 Super Bowls with the Green Bay Packers.

ANSWER: Vince LOMBARDI

TOSSUP 11

His ancestry was Croatian, and he ironically incorporated his ancestors' folk music into a piece that eventually became Austria's national anthem. Beginning in 1762 he was employed for nearly thirty years by Prince Miklos, an Austrian aristocrat. In trying to rival Handel's "Messiah" he wrote "The Creation" oratorio in 1798. FTP, who is this Austrian composer of over 100 symphonies including "The Clock" and "The Farewell."

ANSWER: Franz Joseph HAYDN

TOSSUP 12

With Congressman Ray LaHood of Illinois, he originated the idea of the bipartisan house retreat, but he won't be around long to encourage civility in politics. An aide to Congressman Tim Wirth in the 1970s, he served in the state legislature in the 80s and won a house seat in 1986. He lost several bids for the leadership, however, and recently dropped out of the campaign for the Senate and announced his retirement from the house. FTP, name this Democratic congressman from Colorado.

ANSWER: David SKAGGS

TOSSUP 13

The first two works in this anthology are "Noon Wine" and "Old Mortality," and the third shares its title with the collection. The first deals with a farmer who kills a stranger he believes threatened his hired man. The other two are concerned with the life of Miranda, who learns more than she wanted to know about her aunt and has an affair with a soldier during a World War I influenza outbreak. FTP, name this set of three short novels by Katherine Anne Porter.

ANSWER: "Pale Horse, Pale Rider"

# ROUND\_1\_TOSSUPS

## TOSSUP 14

It sits near a planet that is hollowed out and filled with ancient machinery capable of permitting time travel. First designed as a port of call, a home away from home, and an intergalactic symbol of peace, it later became embroiled in conflicts between the Narn and the Centauri, as well as the Shadow War. FTP, identify this space station, whose adventures will soon be appearing on TNT.

ANSWER: \_BABYLON 5\_

## TOSSUP 15

It would have protected slavery and guaranteed basic rights to all citizens except blacks, but it was rejected in a January 1858 territorial election. President Buchanan wanted Kansas to win statehood under this document nevertheless, but when resubmitted to the voters in 1859, it was rejected a second time. FTP, name this proposed pro-slavery Kansas constitution, named for the city in which it was framed.

ANSWER: the \_LECOMPTON CONSTITUTION\_

## TOSSUP 16

According to the Fundamental Law of Welfare Economics, a perfectly competitive economy will eventually reach this state under normal circumstances. It will then be impossible to make one person better off without making someone else worse off. FTP, name this condition, named for an Italian economist and sociologist.

ANSWER: \_PARETO OPTIMALITY\_ or \_PARETO EFFICIENCY\_

## TOSSUP 17

"Oh be a fine girl- kiss me" is a mnemonic associated with a variation of this diagram, in which spectral class is substituted for luminosity on the x-axis. First plotted in 1911 (and independently plotted again two years later), its main features are the white dwarfs in the bottom left, a handful of Red Giants and Blue Supergiants, and the central Main Sequence. FTP, identify this diagram used in astronomy, in which the luminosity and temperature of stars are related to each other.

ANSWER: \_Hertzsprung-Russell diagram\_ (also accept: H-R diagram)

## TOSSUP 18

According to Ovid, he came upon two snakes copulating in the road.

Separating them with his staff, he found himself turned into a woman. Years later, he found the snakes at it again, separated them, and became a man! Zeus and Hera then used him to judge whether women or men had a better time during sex. Hera didn't like his answer, so she blinded him. FTP, name this man, whom Zeus gave the gift of prophecy to offset Hera's curse?

ANSWER: TEIRESIAS

TOSSUP 19

In his 11 year career he struck out 2,396 batters and, pitched four no-hitters, including one perfect game, and won the Cy Young award three times. In his last two seasons he won 26 and 27 games respectively, before being forced into a premature retirement by a chronic arm ailment at the peak of his career. Name this Brooklyn and later Los Angeles Dodgers pitching great.

ANSWER: Sandy KOUFAX

TOSSUP 20

Its name is believed to have been derived from the Hindi for "elephant river," and it is formed by the confluence of the Nmai and Mali rivers. Flooding during the monsoon season allows the cultivation of rice paddies, and alluvium carried by the river fertilizes the surrounding countryside. Its delta opens into the Andaman Sea, and its chief inland port is Mandalay. FTP, name this longest river of Burma.

ANSWER: the IRRAWADDY River

TOSSUP 21

His formal education at the Haverhill Academy was limited, but he greatly admired Milton and used the Scottish poet Robert Burns as a model for his early work. His first poem was published in William Lloyd Garrison's newspaper, and Garrison's antislavery views influenced his later works. FTP, identify this Quaker poet and anti-slavery activist, the author of "Ichabod," "Barbara Frietchie," and "Snow-Bound."

ANSWER: John Greenleaf WHITTIER

TOSSUP 22

Pope Gregory IX launched a crusade against him in order to force Russia from Greek to Latin Christianity. Later attacked by a Swedish army at Neva, this leader of the republic of Novgorod was victorious, but soon exiled for being too popular. FTP, identify this Russian leader who was recalled to battle the Teutonic Knights on the ice of

## ROUND\_1\_TOSSUPS

Lake Peipus, the subject of a movie by Sergei Eisenstein.

ANSWER: Aleksandr NEVSKY

TOSSUP 23

"Big Trouble", his most recent book, was published this fall and was concerned with the assassination of an Idaho governor and the role of class in American life. He was concerned that this book did not meet the standards of his earlier works, including "Common Ground" - about the Boston bussing crisis- and therefore took his life this summer. FTP, name this Pulitzer Prize-winning journalist.

ANSWER: J. Anthony LUKAS

TOSSUP 24

Building off of the success of games like Shinobi, this Tengen classic and its two sequels featured side-scrolling action followed up by cinematic scenes that expanded the plot. The title character's real name was Ryu Hayabusa, and he battled foes like the Kelberosses, giant demon dogs, and evil mastermind Jaquio. FTP, identify this sword-slashin' series of games for the Nintendo.

ANSWER: NINJA (the) GAIDEN

TOSSUP 25

Where  $f$  has  $n$  derivatives at  $c$ , the first is defined as  $f$  of  $c$ , the second is the first plus  $f$  prime of  $c$  times  $(x$  minus  $c)$ , and the third the second plus  $f$  double prime of  $c$  over 2 factorial times the quantity  $x$  minus  $c$  squared. FTP, identify these polynomials, which approximate the function  $e$  to the  $x$ , named for a 17th century English mathematician.

ANSWER: TAYLOR POLYNOMIALS

# ROUND\_1\_BONUSES

Beaver Bonspiel IV  
ROUND 1  
Questions by Swarthmore

BONUSES  
all bonuses are worth 30 points

## BONUS 1

Given the protagonist of the Russian novel, identify the novel for the state number of points:

1) For five points, Rodion Raskolnikov

ANSWER: \_CRIME AND PUNISHMENT\_ (Pristupleniye i Nakazaniye)
